## Questions

### When will I get my items?

There is a 'Delivers' estimate above each shipment. This tells you when your items are expected to arrive. As each item leaves our warehouse, we will email you with carrier and tracking information.

If you ordered multiple items, you will receive a separate email as each item ships. There are not additional shipping fees for these items.

### How do I view or change my order?

Go to [Order Status](#), then sign in to add your order to your Apple ID. You can make changes to, return, or cancel eligible items there. To learn more about shipping, changing, or returning orders, please visit the [Help](#) page.

You can also call Apple Customer Service at 800-692-7753, Monday through Friday from 5:00 a.m. to 8:00 p.m. and Saturday and Sunday from 7:00 a.m. to 4:00 p.m. Pacific time. Please have your order number available.

### How long do I have to send in my trade-in device if I am sending it back by mail?

Once you receive the trade-in kit, you have 15 days to prepare and send in your device. If you added a trade-in to an iPhone order, you may receive the kit along with

your new device. Otherwise, it will be mailed to you separately as soon as your new product is ready for delivery or pickup.

**Free shipping on everything.**
